Mountaineer Cleatus 254F is a fall heifer with lots of eye appeal and even better EPDs. Her sire is DL Dually, a young bull who is now deceased but his eye appeal, 101 WW EPD and more has driven his semen to \$100/straw if you can find it. Her dam's progeny are herd bulls retained here at Mountaineer Meadows and sold at Stevenson's Angus in Montana. Open and ready to breed.

Mountaineer Enchantress F424 is an embryo calf out of our top donor cow and Stevenson Diamond Dot Angus's leading herd sire Diamond in the Rough. Her dam had the high selling \$30,000 Diamond Cavalry 4243 bull in last years sale as well as her natural calf who brought \$9,500 right behind him. Enchantress's EPD profile doesn't have many holes; top 2% \$Feed, top 10% \$Beef, top 10% Weaning Weight, top 10% Yearling Weight, and top 15% \$Weaning. This donor potential female will be one of the best genetic and phenotypic packages in the sale and one you don't want to miss. Open and ready to flush or breed.

Mountaineer Breakout 760F is a moderate framed, very docile natural calf out of Diamond Lucy 7A60, our first donor cow from Stevenson Angus, and Diamond Breakout 205B, an \$8,000 herd sire who has had several progeny sell back in Montana. 760F has a very balanced EPD profile that will make great females and also calves that make you money on feed with top 2% \$Feed and top 15% \$Beef. Angus Geneseek DNA tested.

Diamond Excitement 413F is an exciting herd sire prospect from a royal pedigree. His dam is a near-flawless donor cow whose last two calves have been a \$7,000 heifer and \$8,500 bull both sold in Montana. 413F is sired by our \$13,000 herd sire Diamond Excitement. This calf's EPD profile is hard to beat with an extreme calving ease package and powerful growth – top 5% \$Weaning, top 15% \$Feed, and top 20% \$Beef. This bull will make you money on feeder calves, replacement heifers, or feedlot cattle. Angus Genesek tested.
